

Water based Over Print Varnishes

Over Print Varnish for GLOSS							
Product	Speciality	Application	Gloss(60°)	SLIP	water resistance	scratch resistance	rub resistance
MC-480	over print varnish for general purpose coating	Printing Machine, Roller coating	++	++	+	++	++
MC-480(NS)	over print varnish for general purpose coating, Low Slip .	Printing Machine, Roller coating	++	+	+	+	+
MC-4827	over print varnish for general purpose coating, Low Solid	Printing Machine, Roller coating	++	++	+	++	++
MC-4830	over print varnish for High Gloss & High viscosity coating	Printing Machine, Roller coating	+++	++	+	++	++
MC-480HG	over print varnish for High Gloss coating	Printing Machine, Roller coating	+++	++	+	+++	+
MC-480HV	over print varnish for High Gloss & High viscosity , High Solid coating	Printing Machine, Roller coating	++++	++	+	+++	++
MC-470	over print varnish for rub resistance coating	Printing Machine, Roller coating	++	+++	++	++++	++++
MC-477	over print varnish for High rub resistance coating	Printing Machine, Roller coating	++	++++	++	++++	+++++
MC-470CS	over print varnish for rub resistance & High slip coating	Printing Machine, Roller coating	++	+++++	++	++++	+++++
MC-470HV	over print varnish for rub resistance & High viscosity coating	Printing Machine, Roller coating	+++	+++	++	++++	+++++
MC-7080	over print varnish for rub resistance & Low viscosity coating	Printing Machine, Roller coating	++	+++	++	+++	+++
MC-460-5W	over print varnish for water repellency coating	Printing Machine, Roller coating	++	++	++++	++	++
MC-4910	over print varnish for water resistance coating	Printing Machine, Roller coating	++	+++	++++	+++	+++
MC-450-O	over print varnish for oil resistance coating.	Printing Machine, Roller coating	++	+++	+++	++	++
MC-440C	over print varnish for release coating, Good Slip	Printing Machine, Roller coating	++	++++	+++	++++	+++
MC-420P	primer coating for inline UV coating	Printing Machine, Roller coating					
Over Print Varnish for MATTE							
Product	Speciality	Application	Gloss(60°)	SLIP	water resistance	scratch resistance	rub resistance
MC-480M	over print varnish for matt coating, 60° gloss 0~30	Printing Machine, Roller coating	-	+++	+	++	+++
MC-4890M	over print varnish for matt coating, 60° gloss 0~30	Printing Machine, Roller coating	-	+++	+	++	+++
MC-480M(NS)	over print varnish for matt coating, Low slip . 60° gloss 0~30	Printing Machine, Roller coating	-	++	+	+	++
MC-482M	over print varnish for semi-matt coating, 60° gloss 30~60	Printing Machine, Roller coating	+	+++	+	++	+++
MC-608	over print varnish for matt coating , softfeel	Printing Machine, Roller coating	-	+	+	++++	++++
Over Print Varnish for ENDLESS or Calendering							
Product	Speciality	Application	Gloss(60°)	SLIP	water resistance	scratch resistance	rub resistance
MC-490	calender coating, extremely high gloss , calender temp. 120~150°C	Endless inline, Roller coating	+++++	+++	++	++	++
MC-491R	calender coating, extremely high gloss , rub resistance	Endless inline, Roller coating	+++++	+++	++	+++	+++
MC-491C	calender coating, extremely high gloss , rub resistance	Printing Machine	+++++	+++	++	+++	+++
MC-492	calender coating, extremely high gloss , calender temp. 100~120°C	Printing Machine	+++++	+++	++	++	++
